Ontario Healthy Workplace Coalition

*Supporting
comprehensive
workplace health
in Ontario*

Vision

All Ontario workplaces will:

- value employee mental, physical, and psychosocial health as fundamental to organizational success and
- adopt and implement a comprehensive approach to healthy workplace as an integral part of their business strategy and operations.

For information on the OHWC or to join, please visit our Web site: www.ohwc.ca

WHO WE ARE

The Ontario Healthy Workplace Coalition is:

- An incorporated, not-for-profit body
- Serving as a unifying structure across the province
- Helping to facilitate communication among workplace health stakeholders
- Coordinating resources to address duplication and gaps
- Promoting the importance of using a comprehensive approach to create healthy and safe workplaces in Ontario

OUR MISSION

The purpose of the Ontario Healthy Workplace Coalition is to:

1. Advance our common vision for workplace health.
2. Provide support to Ontario workplace health stakeholders in striving to attain this vision.
3. Collaborate on consistent messaging, training, advocacy, and sharing of resources and best practices for workplace health stakeholders.

OUR LONG-TERM GOALS

- A comprehensive and sustainable Government of Ontario healthy workplace strategy will exist in Ontario.
- There will be optimal collaboration that is coordinated, well-resourced, efficient and effective, among a growing membership of stakeholders and partners, in order to strengthen the implementation of comprehensive workplace health (CWH) in Ontario.
